PRICE-ONE CENT.

MIDSUMMER

"/ House-cleaning in August may not be good domesticity but it's good merchandizing. We're promised 2½ months, full 800 days of warm weather yet, so the seasonableness of our goods can't be disputed. You need coating, we need money. Therefore we're going to convert stock into cash by offering price inducements you can't resist. It's easy enough to sell the "cheap" cheap, but we're selling the good cheap. Key your expectations to the highest, then come. This is a sale to move accumulated stock, not to make a profit. Begins Monday, August 12th. ends Saturday, August 17th.
